Inspired by an original Gordon's recipe from the 1880s, Gordon's Pink is perfectly crafted to balance the refreshing taste of Gordon's with the natural sweetness of raspberries and strawberries, with the tang of redcurrants, served up in a unique blushing tone. Made using only natural fruit flavours to guarantee the highest quality real berry taste.

Hendrick's Gin 41.4% Abv (Girvan)

More than any other Gin, this has led to a new generation of Gins exploring more adventurous aromas and flavours. Distilled using two different methods; Pot Still and infusion. The two distillates are combined, then cucumber and rose oils added.

Caorunn Gin 41.8% Abv (Speyside)

£3.50

Edinburgh Gin 43% Abv (Edinburgh)

£3.50

Two stills, curiously named Flora and Caledonia weave their magic. Caledonia is a tall, elegant column still. Flora is a round pot still. Both create wonderfully individual Gins that taste as spectacular as the equipment used to create them. Our method is perfectly simple and inspired, "begin at the beginning, go on until you come to the end, then stop!" Finally comes the most enjoyable part, presenting the Gin for your delectation.

Brockmans Gin 40% Abv (Woking)
